

NEW MEMBERSHIP INCENTIVE PROGRAM

To incentivize existing members to enlist their friends to join AIH, we had a program wherein any "Member in Good Standing" who brought in a new Member, who became a "Member in Good Standing," had his name entered into a drawing. At the end of the FY, a name was drawn, and that Member was exempted from paying his dues for the next FY.

The Executive Committee has decided to terminate that Program and try a new one. This new Program would work as follows:

- If a "Member in Good Standing" brings in a new, dues paying member, who becomes a "Member in Good Standing" and remains a member for at least a year, the sponsoring member would receive 25% off their next fiscal year's dues.
- If that same sponsoring "Member in Good Standing" brings in a second new, dues paying member, who becomes a "Member in Good Standing" and remains a member for at least a year, he would receive an additional 25% off his next fiscal year's dues for a total of 50% off.
- If that same sponsoring "Member in Good Standing" brings in a third new, dues paying member who becomes a "Member in Good Standing" and remains a member for at least a year, he would receive an additional 50% off his next fiscal year's dues giving that member a free, one fiscal year membership.
- One-year dues free membership would be the limit for each fiscal year.

Adopted on 22 of June 2022.

Effective 1 July 2022 for Fiscal Year 2023.
